SPECIAL NOTE TO ALL PUMPKIN FESTIVAL VENDORS:

The Pumpkin Festival is Saturday, October 11, 2007. Due to the ever-increasing popularity of this annual event, we continue to draw a larger number of people every year, and your cooperation is appreciated for this busy time!

Every vendor is responsible for the clean up of their area at the end of the day. Please bring the proper equipment to clean your area (bring gloves, brooms, rakes, trash bags and anything else you may need). **We must request your area be left in the condition you found it. Thank you for your cooperation!**

Thank you in advance for all of your cooperation in making the 19th Annual Pumpkin Festival a huge success!

Sincerely,

THE DAVISON PUMPKIN FESTIVAL COMMITTEE
