

SCARECROW CONTEST

Thank you for participating in the 19th Annual Pumpkin Festival!

All vendors, service clubs and non-profit organizations are **REQUIRED** to decorate a scarecrow on the street post in your assigned area, displaying a sign with your group's name. This not only will make downtown more festive, it will also help the visitors to identify you. If your area has no post, please display a scarecrow near your designated area.

Prize for the best decorated scarecrow will receive vendor registration reimbursement (\$35.00 value)
